

Activated GEnebank NeTwork

Final Project Meeting
incl. Public Outreach event
“Collaborative Approaches to the Exploitation and Sustainability of Plant Genetic Resources”

April 1-3, 2025
INRAE, Versailles

Address:
INRAE
RD 10 Route de Saint-Cyr
78026 Versailles France

The AGENT project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 862613.

MEETING VENUE

1 April 2025:

Please come to the INRAE reception desk
Then go to building 10 Amphitheater

Online participation (AGENT partners only):

<https://inrae-fr.zoom.us/j/99463733917>

Before the start of the AGENT final meeting, you can come to the URGI meeting room in building 18 in the morning.

2 April 2025:

Please come to the INRAE reception desk
Then go to building 10 Amphitheater

Online participation:

<https://inrae-fr.zoom.us/j/94901034818>

3 April 2025:

Please come to the INRAE reception desk
Then go to building 10 Amphitheater

Online participation:

<https://inrae-fr.zoom.us/j/95224199946>

After the end of the AGENT final meeting, you can come to the URGI meeting room in building 18 in the afternoon.

Practical information about How to get to Versailles, Accommodation, Meals, Guided tour on April 2:

<https://agent-versailles.symposium.inrae.fr/practical-information2>

Recommendation: Don't walk to INRAE from a Versailles hotel or Versailles train station, it's a long walk. Plan to use public transportation.

You can walk to INRAE from the Saint-Cyr train station or from one of the nearby Saint-Cyr hotels.

AGENDA

Tuesday, 1 April 2025 (only for project partners)			
Time		Topic	Person in charge
12:00 – 13:15: Arrival and registration, Light lunch (sandwiches), Coffee			
13:20	10'	Welcome by host INRAE and Coordinator IPK	Michael Alaux (INRAE) and Nils Stein (IPK)
13:30	20'	WP1 - Update on final tasks and open issues	Nadine Drechoux (EURICE)/ Nils Stein (IPK)
13:50	20'	WP2 - Update on final tasks and open issues	Nils Stein (IPK)
14:10	20'	WP3 - Update on final tasks and open issues	Vojtech Holubec (CRI)
14:30	20'	WP4 - Update on final tasks and open issues	Filippo Bassi (ICARDA)
14:50	10'	Coffee break	
15:00	20'	WP5 - Update on final tasks and open issues	Michael Alaux (INRAE)
15:20	20'	WP6 - Update on final tasks and open issues	Paul Kersey (RBGK)
15:40	20'	WP7 - Update on final tasks and open issues	Sandra Goritschnig (IPGRI)
16:00	15'	Coffee break	
16:15	30'	Update on publication plans	All, Nils Stein (IPK)
16:45	15'	Follow-up project plans	All, Nils Stein (IPK)
17:00	15'	Wrap-up	Nils Stein (IPK)
End at 17:15			

Wednesday, 2 April 2025			
Scientific Presentations/Discussions <i>“Unlocking Scientific Insights: Final Results and Impact of AGENT”</i> (Open to external stakeholders)			
Time		Topic	Person in charge
8:30	20'	Arrival and registration, Coffee	
08:50	10'	Welcome by host INRAE and Coordinator	M. Alaux (INRAE), N. Stein (IPK)
09:00	30'	<i>Lessons learned from activated genotypes, and still learning (20 min presentation + 10 min Q&A)</i>	Max Haupt (IPK)
09:30	30'	<i>Curation and analysis of historical phenotypic data (20 min presentation + 10 min Q&A)</i>	Erwan Le Floch (INRAE)
10:00	30'	<i>Unlocking Global Wheat Diversity through the Panphenome (20 min presentation + 10 min Q&A)</i>	Hannah Oertel (IPK)
10:30	30'	<i>Harnessing k-mers to predict wheat powdery mildew resistance across genebanks (20 min presentation + 10 min Q&A)</i>	Benjamin Jaegle (UZH)
11:00	15'	Coffee break	
11:15	30'	<i>Exploring Barley Historical and Precision Collections in AGENT Genebanks to Develop New Tools for Future Breeding (20 min presentation + 10 min Q&A)</i>	Meryem Zaim (ICARDA)
11:45	30'	<i>Genomic solutions for the identification of useful genebank germplasm (20 min presentation + 10 min Q&A)</i>	Zakaria Kehel (ICARDA)
12:15	30'	<i>RO-Crates and FAIR Digital Objects (20 min presentation + 10 min Q&A)</i>	Daniel Arendt (IPK)
12:45	15'	<i>Lessons learned from genebank reviews (10 min presentation + 5 min Q&A)</i>	Erik Wijnker (WR)
13:00	90'	Lunch break at INRAE restaurant. Coffee break at building 10 (Amphitheater)	

14:30	45'	Getting to the “ parc du château ”: walk, public transportation or cars <i>As the tour takes place directly after the lectures, don't forget to wear suitable footwear.</i>
15:15	120'	<i>Guided tour</i>
18:30		Pre-Drinks and Dinner at restaurant “ La Petite Venise ” in the “ parc du château ”. <i>After the restaurant, people staying in Versailles can walk back to their hotel. Those staying in Saint-Cyr can be brought back by car.</i>

Thursday, 3 April 2024			
Public outreach event			
“ <i>Collaborative Approaches to the Exploitation and Sustainability of Plant Genetic Resources</i> ”			
(AGENT consortium together with international stakeholders)			
Time		Topic	Person in charge
8:40	20'	Arrival and registration, Coffee	
09:00	10'	Welcome by host INRAE and Coordinator	M. Alaux (INRAE), N. Stein (IPK)
09:10	40'	Key Note Speech	Beat Keller (UZH)
09:50	15'	Key findings of AGENT project	Nils Stein (IPK)
10:05	15'	<i>Presentation of Pro-Grace</i>	Giovanni Guiliano (ENEA)
10:20	15'	<i>Group photo + Coffee break</i>	
10:35	15'	<i>Presentation of Pro-Wild</i>	Jérôme Salse (INRAE)
10:50	15'	<i>Presentation of COUSIN</i>	Christian Schob (URJC)
11:05	15'	<i>Presentation of Australian genebank</i>	Gabriel Keeble

11:20	15'	<i>Presentation of Canadian genebank</i>	Gurcharn Brar
11:35	15'	<i>Coffee break</i>	
11:50	60'	<i>Fostering Collaboration for Sustainable Agriculture: Assessing the Impact of Joint Efforts in Plant Genetic Resource Management (Panel discussion among genebanks/project leaders and other relevant stakeholders to brainstorm on how the project(s) outputs will enhance genebank management and how we could ensure exploitation in the future)</i>	Moderated by: Sandra Goritschnig (IPGRI) (with support from Nadine Drechoux (EURICE))
12:50	10'	<i>Conclusion</i>	Nils Stein (IPK)
Meeting end at 13:00: Light lunch (sandwiches), Coffee
